

Pre-AP Italian 3

The class will be mainly conducted in Italian. Students will be challenged in the four core areas of reading, writing, speaking, and comprehending.

Literature excerpts will be read, compositions will be written, oral presentations and discussion will be given and discussion of current events will take place in Italian.

Students will be expected to communicate in Italian with the teacher and classmates.

Projects and presentations will be included in the course expectations.

Students are given the opportunity to join the HHS Spanish/Italian Club.

Every summer the club travels to Europe to build confidence, cultural sensitivity, global awareness and the opportunity to practice their new language.
