

HOBBS HIGH SCHOOL Social Studies

The Hobbs High School Social Studies Department has a wide range of course offerings to help prepare you for a college and the future, regardless on what you plan on studying. New Mexico students must have a minimum of four social studies classes, including Ninth Grade NM History (1 Semester), sophomore World History, Junior United States History and Senior Government (1 semester) and Economics (1 semester) in order to graduate.

Hobbs High school also offers a number of Social Studies electives including AP Psychology, AP European History, Sociology, Multicultural Studies and Film Studies.

HHS Social Studies Courses

AP World History

AP European History

AP United States History

AP United States Government

AP Microeconomics

AP Psychology

**New Mexico History (If
Needed)**

World History

United States History

Government

Economics

Sociology

Multicultural Studies

Film Studies

Attention Parents & Students: Want to save money?

Students can earn from 3-6 hours of college credit for each class by taking AP United States History, AP Psychology, AP Government or AP Micro Economics as a Dual Credit class through the NMJC.

Students have the opportunity to earn both high school and college credit while taking the class.

****Students still receive the bonus points and credit for honor graduate status.***
